## A Letter from our President:

Dear Friends:

As we present this year's Annual Report, I invite you to look back with us—not just on the milestones achieved or numbers met, but on the deeper purpose behind the work we do every day.

At Meeting Street, our mission is grounded in the core values of inclusivity, respect, compassion, excellence and integrity. These values are more than guiding principles—they are our commitment to the communities we serve and the promise we make to one another. This is especially true during times of uncertainty and change; they are what hold us steady and move us forward.

During such times our values, including the value of inclusivity – where every child is welcome in our community – shines brighter than ever. It's a lesson learned each day on any Meeting Street campus, reminding us of the power of our values and the resilience that can grow from shared purpose.

As you explore the pages ahead, you'll see the tangible impact of your support and the ways in which we continue to strive for excellence, guided always by compassion and respect for the children and families we serve.

Every success story, every life impacted, has been made possible through the generosity and unwavering support of our donors and partners. Your belief in our mission fuels our work and strengthens our resolve.

This report is not just a reflection of what we've done—it's a celebration of what we've done together.

Thank you for being a part of this journey.

With much appreciation,

## Partner Power!

Two of Meeting Street's longtime partners – **Bristol County Savings Bank & Citizens** – shared their financial expertise with families enrolled in our MA & RI Early Childhood Programs. Financial Literacy workshops were offered at no cost to Meeting Street families, covering topics like "Managing Debt", "Buying a Home" and "Budgeting Basics." Thank you for helping build brighter futures for our families!

## Welcome Family

An ounce of prevention! That's the philosophy behind Meeting Street's Welcome Family program in New Bedford. Any resident of New Bedford who gives birth in St. Luke's Hospital – or is referred to the program – receives 2 free consultations and check-in calls from a Registered Nurse. The program helps support the entire family unit during the often overwhelming time between delivery and the transition home.

## WIC

Meeting Street’s WIC program exists to help families get the resources they need to nourish their children. Our beautiful new clinic at 1000 Eddy Street (with reserved, on-site parking and a bus stop) provides private consultation rooms where families can receive nutrition education, breastfeeding support and vouchers for healthy foods.
